## 2 Policy Objective

To determine the basis for charging for Council's garbage service.

## 3 Policy Statement

- 3.1 The annual domestic garbage charge as determined by Council shall be the fee for the removal on a once per week basis of the garbage contained in one 240 litre mobile garbage bin from each separate occupancy, whether rateable or not.
- 3.2 Residents can request additional 240ltr domestic bins. Council will provide households with additional 240 litre mobile bins on payment of the annual fee for each additional bin.
- 3.3 Council will provide businesses with the opportunity to obtain additional services; these include 240ltr, 660ltr and 1100ltr.
- 3.4 The annual domestic/commercial charges will be decided by Council and advertised in the Annual Revenue Policy.
- 3.5 Council will not refund a pro-rata amount of the additional annual fee, where a service is cancelled for the remaining periods after a minimum three (3) months usage.
- 3.6 Retrospective adjustments of the additional service charge will only be made for the current financial year. It is the responsibility of the resident to notify Council of any discrepancies.
